Program Requirements:

Self-Management: The Certified Marketing Expert (CME) program is a self-study certification program. We greatly want to see you succeed, but your success depends on and directly corresponds to the amount of effort and time you put into learning the material.

Strategic Project completion: The strategic project for the CME course is laid out in the study guide. This project is worth 50% of the CME grade and must be received completed before you can schedule your examination date.

Time-Management: Being that the CME is a self-study program, it is your responsibility to make time to read the required texts, to ask questions as they arise, and to keep in mind your examination date.

Examination: Examinations are offered annually on the first Wednesday of each new month.

After registering for the CME, you can schedule your examination date by submitting your completed strategic project (aforementioned) and your preferred exam date.

Please note that your exam date request must be received at least 2 weeks before the exam date. For example, if you would like to sit for the January 10th exam, we need to receive your request and completed project no later than December 27th. You can send your completed project and date request to the email address above.

3 Required Readings: We have selected two books for this program which both cover a lot of ground and supplement the 40+ video modules and over 10 hours of recorded expert audio interviews conducted for the CME program. These three books do not focus on one idea or model, but rather present dozens of approaches, perspectives, and strategies for you to pick from and apply to your industry as appropriate.

1) The Marketer's Bible By Richard C. Wilson ISBN#978-1460945780 Cost- \$29.99 [Amazon Link](#)

Note: For the Marketer's Bible the entire book is not required, you are only required to read chapters 1, 2, 3, 4, 5, 6, and 7 for this program. If you do complete a Master's Certificate in Marketing & Sales with us, please hold onto this book as it is referenced within our business development and public relations programs as well.

2) Influence: Science and Practice 5th Edition by Robert Cialdini ISBN# 978-0205609994 Cost: \$7.32-\$18.01 [Amazon Link](#)
